ALL-COUNTY INFORMATION NOTICE NO. 1-39-88

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: INCOME ELIGIBILITY TABLE FOR THE OUT-OF-HOME CARE FOR ADULTS PROGRAM

This letter is to provide you with an updated income eligibility table for determining eligibility for the Out-of-Home Care for Adults Program (OHC-A). The table covers Fiscal Year (FY) 88/89 and should be used starting July 1, 1988.

MPP Section 30-002(h)(1) defines income eligible persons as those persons whose gross annual family income does not exceed 80% of the median family income for California for a family of four, adjusted according to family size. A basic family unit resides in the same household, and consists of one or more children, if any, and adults who are related by blood, marriage including common-law, or adoption. The following are considered one-person families: (1) each unrelated adult residing together; (2) each related adult other than spouses residing together; (3) each child residing with nonlegally responsible relatives; (4) each child living under the care of unrelated persons; and (5) an emancipated minor.

FY 1988-89

California's maximum four-person family income for services eligibility is \$28,950 (eighty percent of the median income for California for a family of four). The median income for FY 1988/89 is \$36,187 for a family of four and was calculated by applying the California Necessities Index (CNI) cumulatively to the median income figure provided in the 1981/82 Comprehensive Annual Services Program Plan (CASPP).

1-person family	- (52% of \$28,950)	- \$15,054	- \$1,255 monthly
2-person family	- (68% of \$28,950)	- \$19,686	- \$1,641 monthly
3-person family	- (84% of \$28,950)	- \$24,318	- \$2,027 monthly
4-person family	- (100% of \$28,950)	- \$28,950	- \$2,413 monthly
5-person family	- (116% of \$28,950)	- \$33,582	- \$2,799 monthly
6-person family	- (132% of \$28,950)	- \$38,214	- \$3,185 monthly

For each additional family member above six persons, add 3 percentage points to the percentage for a family of six.
